

Sponsor the Fellsmere Frog Leg Festival Non-Profit efforts ...

FOR THE KIDS!

Dear Sponsor,

The Fellsmere Frog Leg Festival, Inc. is a 501c3 organization. And we seek your support ...

An annual event that started in 1990, we celebrate the Frog Leg Festival's 33rd year in 2024! Our sole purpose is to raise funds for youth recreational needs in the City of Fellsmere and north Indian River County. Since the population of Fellsmere is just over 5,600, city budgets do not have sufficient margin to fully fund recreational and park needs.

We raise money by selling frog leg and gator tail dinners at our event where visitors can also enjoy crafters and vendors, midway rides, live entertainment and much more. Proceeds from our efforts provide much-needed, high-quality recreational opportunities to our youth. And here's where your gracious consideration comes into play ...

Since 1992, we've been able to fund over \$1 million worth of needs, including: playgrounds and related equipment; improvements at basketball courts, soccer and baseball fields; scoreboards, lighting, sound, and other sports equipment; summer and after school programs; and Old School restoration. We also fund swim lessons for Fellsmere Elementary School's third grade students every year and provide additional funding for music, art, and physical education programs. Many of the high school sports groups receive donations in exchange for their support and volunteering.

We enjoy over 60,000 visitors at our four-day Festival each year. In addition to live entertainment, we strive to create an unforgettable experience that includes rides, crafters, vendors, concessions and Frog Leg and Gator Tail Dinners that have put us in the Guinness Book of World Records.

We ask that you please join us in continuing to make big things happen for the kids ...

Help make our 33rd year the best year ever for the children in and around Fellsmere!

When: **January 18-21, 2024**

Where: **Old School Complex, 22 S. Orange St, Fellsmere, FL**

Why: **To provide recreational and park opportunities for area youth**
